Thank you for choosing Fireside Hearth & Home to provide the hearth solutions for your project. We truly value your business. We are strongly positioned to serve all of your whole hearth needs and are confident you'll be thrilled with the results. Here's why:

- We sell, install and service the most recognized brands in the industry
- We stand behind our proven "Signature Installation" process
- We handle everything for you—from selection, to installation, and service for life

Our whole hearth solutions are limitless, and we'll work with you to create something unique. You'll receive one point of contact throughout the process, and we'll be there for your customer if they ever need service on their product. Our ultimate measure of our success is your satisfaction with our products and services. We are the Hearth Experts, and we're on your side.

The following proposal includes materials, installation, and tax. If you have any questions, please contact me at 629-255-5209. Thank you for the opportunity to serve you.

Sincerely,

Samantha Sparks
Sales Representative
